SCHOOL SUPERINTENDENT'S REPORT

To the School District of Dorchester:

I hereby submit my twelfth report as Superintendent of Schools. In the interest of conservation and economy it is brief.

The midwinter enrollment at Cheever is 24. The Board has built shelves which are used as a community Library and contributions of books already received are gratefully acknowledged. Everyone is cordially invited to visit this library, which it is expected will be used more and more now that electricity is available.

I recommend that the school be wired and equipped for electric lights. Many afternoons are dark causing strains to the children's eyes. The Board expects to make another exit in the back of the room. The budget with the appropriation for electricity is slightly less than what was appropriated last March.

Respectfully submitted,

ALLAN M. McCURDY
